

LARGE TABLE BOOKINGS

At The Kennington there is nothing we like more than customers coming to the restaurant to celebrate family occasions.

Many of these celebrations mean families like to book tables of over 10 people and we try to make sure that everything runs smoothly, so everyone gets the chance to enjoy themselves during their celebrations.

To make sure that we are fair to all our customers we have a large table policy.

This is for bookings of 10 or more people.

We set out times for people to book these large tables as follows:

12 noon to 2.15pm

This allows a 15-minute gap to get ready for the next large booking at

2.30pm to 4.45pm

Allowing 15 minutes gap to get ready for the next large booking at

5pm to close

We hope this explains our policy and why we do it, we want to make sure that everyone celebrating an occasion gets treated fairly and enjoys their time at The Kennington.
